MOWING BIDS

Scope of work

Bid price shall include performing all specified lawn mowing and maintenance activities described below. Work will performed at all of the following locations:

Township Building Property- 8 acres

Located at 6400 N. Moscow Road

Mowing comprises ballfields, playground, park, and lawn areas around the Township buildings.

Township Fire Pond Property- 3.5 acres

Located at northwest corner of Route 30 and North Blackhorse Road

Mowing comprises ground around fire pond but not with the fenced area

Township Police Station Property- 1.5 acres

Located at 4119 W. Lincoln Hwy, adjacent to the Township Building property

Comprises of lawn around house (front yards ends at large evergreen trees)

Specifications:

The bid price shall include the following:

- 1) Perform 26 cuts at all three locations
- 2) Perform string trimming where required (base of chain link fencing, sign posts, poles, building foundations, etc) at least every third mowing.
- 3) Weed and clean the various mulched planting areas and tree bases three (3) times: once in May, once in July and once in September
- 4) Remove all clippings from paved surfaces after every mowing

Notes:

During mowing operations, all mowing /trimming equipment should be positioned so the clippings are not discharged onto adjacent vehicles, equipment or structures.

Bid submittal process:

Bid proposal must be in a sealed envelope and labeled accordingly.

Bid document should include a description of the contractor's insurance coverage.

The bid must be received at the Township Building no later than 4:00 PM on March 18, 2021

The Bids will be opened at a Public Meeting in the Township Building at 6:00 PM on March 23, 2021

Call the Township Office with any questions 610-857-5969
