

New Stormwater No-No's

•**What you can't do:** Rake or blow grass clippings or leaves to the curbside/ roadway or drag onto stream banks or stormwater swales.

What you should do: Compost the material or bag yard waste and send it out with the trash.

•**What you can't do:** Rinse a paint brush in your driveway.

What you should do: Take brush and paint cans to the county's Household Hazardous Waste facility

•**What you can't do:** Hold car-wash fundraisers without municipal approval.

What you should do: Wash your car at home on the lawn, not on the driveway.

•**What you can't do:** Drain your swimming pool into the street.

What you should do: Wait until chlorine has escaped from pool water; then drain the water onto the lawn.
