

We are now offering Deluxe Window Service!

The "deluxe" part means that, no matter what you need, please see us at the porch window first. You will be able to pick up your holds at the window. We will be happy to pull books for you, help you print from your mobile device, and offer reading suggestions. Very limited browsing and computer usage, typically 15 to 30 minutes, will be available. But due to the coziness of our building and our small staff size, we need to limit the number of people in the building.

So when you visit us, wear a mask and stop at the porch window first. If someone is already on the porch, please wait until they are finished. Masks and distancing are required within the building. If possible, have one person represent your family. We are not yet offering in-person programs or gathering spaces. We miss you, but it's not play time just yet.

Our hours for the summer are

Monday through Friday, 10:00am to 6:00pm

Saturday 9:00am to 1:00pm
